BRONX RALLY to Save Child Care and After-School!

**Thousands of Bronx children are at risk of losing the child care and after-school programs
that working families rely on**

What:	Rally to save child care and after-school
When:	Wednesday, June 12, 2013 at 4:00pm
Where:	Bronx Courthouse: 861 Grand Concourse Bronx, NY
Who:	Parents, children, teachers, advocates from the Campaign for Children, and elected officials

**WITH THE MAYOR'S BUDGET CUTS, OVER 47,000 MORE CHILDREN WILL LOSE CHILD CARE
AND AFTER-SCHOOL PROGRAMS**

- Working parents will have to **scramble to find safe places for their children**, and many will not succeed. Our economy will suffer as **working parents are forced out of their jobs**.
- Children who attend child care and after-school programs do better in school, are more likely to graduate, and have lower incidences of violence, drug-use and teen pregnancy. With these cuts, **children will miss out on the educational opportunities they need to succeed**.
- New York City's subsidized child care and after-school systems have already lost over 43,000 slots since 2009. With the Mayor's most recent cuts, **90,000 children will have been denied these essential programs over five years**.
